Dinner in the Grove

Jack and Laura Dangermond have once again graciously opened their orange grove off Citrus Avenue for Dinner in the Grove! As you walk the lighted road through the grove, you will find yourself transported to a time when life was simpler. Before dinner, enjoy a drink, take in the fabulous view and rustic setting, and bid on the amazing items at our silent auction.

This enchanting outdoor setting brings old friends and new together.

A word about dinner seating: Only guests purchasing Patron tickets will be assigned reserved seats. If you have purchased Patron tickets and would like to sit with a particular party also purchasing Patron tickets, please list these guests on your response card.

Seating is open for all guests not purchasing Patron tickets. Unfortunately, we cannot accommodate reserved seats for Standard ticket holders.
